PROPERTY

5 Knowehead Road, Crossford, KY12 8PG

Offers Over £320,000

We are delighted to be marketing this substantial executive detached bungalow situated on an enviable corner plot within the popular west Fife village of Crossford with all local amenities and schooling within a short walk away. This particular property has been upgraded and is a credit to the present owners, offered in move in condition. It has excellent outdoor space with generous gardens providing a private setting. The accommodation is stylish and well presented with excellent storage and briefly comprises reception hall, impressive open plan dining kitchen, three bedrooms, conservatory and four piece family bathroom. Access to attic. The monobloc driveway gives access for several vehicles leading to single garage. The subjects are double glazed with gas central heating.

LOCATION

The property is located in the popular and much sought after village of Crossford which is only one mile west of Dunfermline City Centre. There is an excellent range of local facilities including primary school with nursery amenities, prestigious Golf Club, The Keavil Four Star Hotel and Leisure Club, The Adamson Hotel and Restaurant, together with local shop, bakers and post office for day-to-day necessities. There is also a regular and reliable bus service into Dunfermline where a wider range of shopping, leisure and social facilities can be found. Dunfermline is located only five miles from the Forth Road Bridges and is therefore particularly popular with commuters to Edinburgh and many other parts of the central belt. Easy access is gained to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by ways of motorways to Stirling, Glasgow and the west.

EXTRAS INC IN SALE / AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances.

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system").
