

38F Campbell Street, Dunfermline, KY12 0QJ
Offers Over £85,000

Modern apartment, well presented and situated in the heart of town within walking distance of all local amenities. Offered in move in condition with private residents parking. Ideal for first time buyer or investor as would give a good annual yield. The subjects briefly comprise: secure communal entrance leading to private entrance hall, lounge with window seat and room for table and chairs, stylish fitted kitchen with appliances, double bedroom and modern shower room. Good storage. The property has electric heating and double glazing. Early entry available.

LOCATION

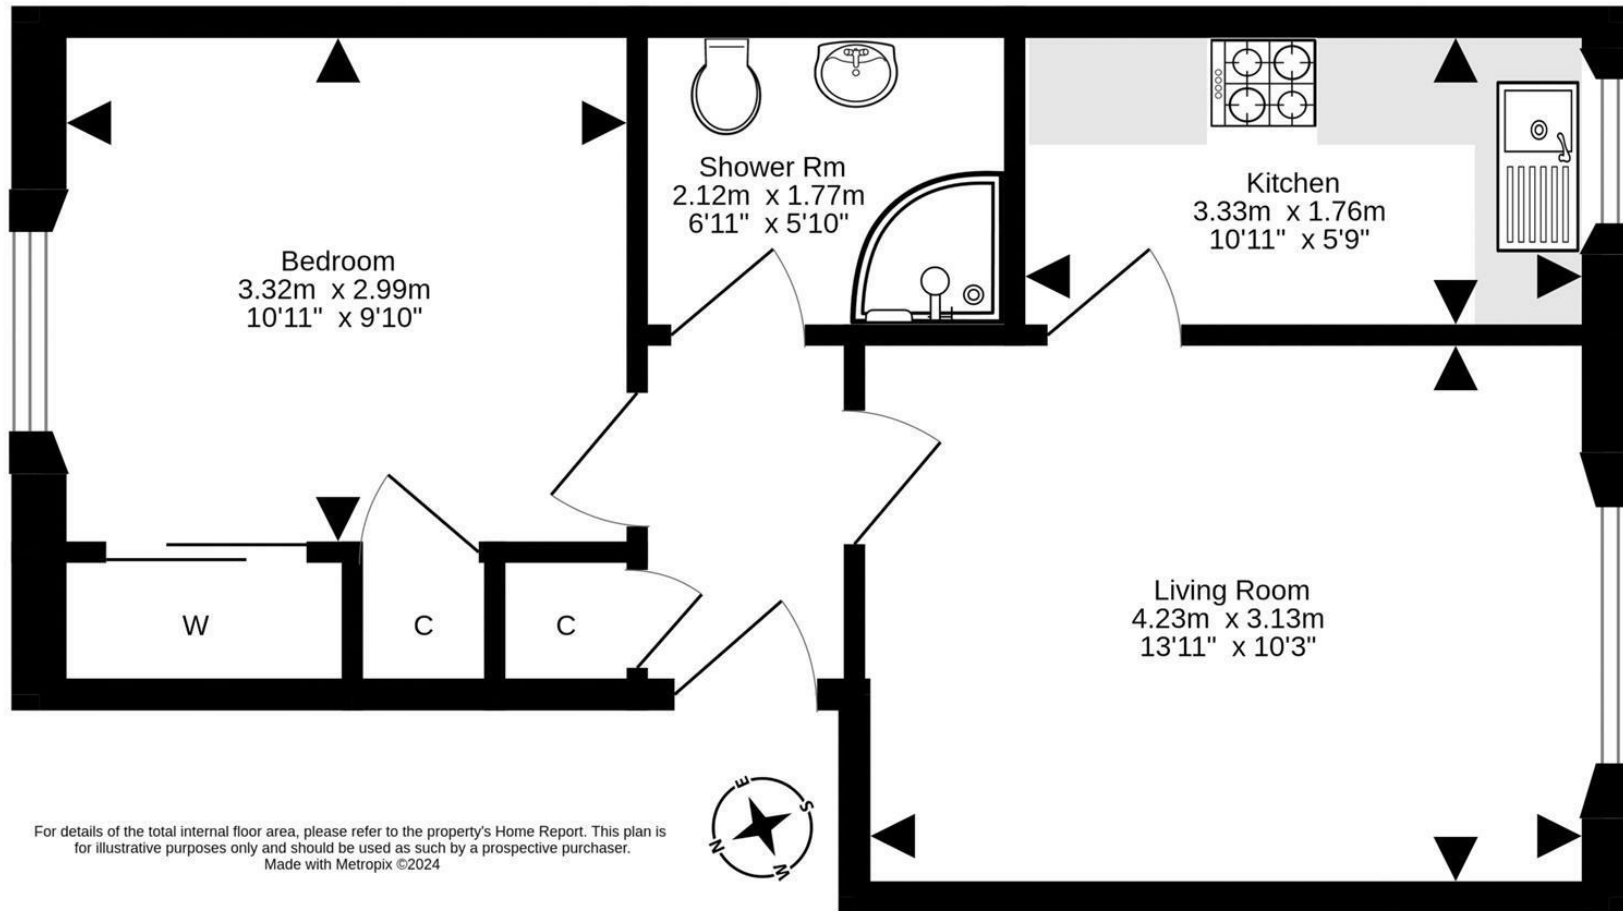

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honour's competition to celebrate the Queen's platinum jubilee. The City of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era with Carnegie Museum and Library. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. It benefits from a full range of shops, social and leisure facilities and educational establishments. The local railway stations provide a regular service to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national.

EXTRAS INC. IN SALE /AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances.

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given to the interlinked system installed in this property.
