

22 Wedderburn Place, Dunfermline, KY11 4PJ
Offers Over £135,000

Situated on an enviable elevated position is this two bed semi detached villa with great views over the town and beyond. The property benefits from being on a large plot with generous gardens to the front, side and rear with driveway and detached single garage. There is also ample on street parking. The villa is well presented and stylish throughout briefly comprising entrance hall, lounge/diner with french doors to patio and fitted kitchen. On the upper level there are two double bedrooms and bathroom with corner bath and overhead off mains shower. Access to attic. The gardens are well presented with sections of lawn and paved patio, an ideal home for entertaining and fully secure providing a child and pet safe environment. The property is double glazed with gas central heating.

LOCATION

The ancient capital of Dunfermline won its bid to have official city status in May 2022, as part of the civic honour's competition to celebrate the Queen's platinum jubilee. The City of Dunfermline is of considerable historic interest and is the resting place of King Robert the Bruce. Carnegie's Birthplace museum, the Abbey and Abbot House reflect the historic interest of the city, whilst recent developments have seen Dunfermline move into the modern era with Carnegie Museum and Library. Dunfermline is located approximately five miles from the Forth bridges and is therefore particularly popular with commuters to Edinburgh and many parts of the central belt with easy access to the M90 motorway with its direct links to Edinburgh, Perth and Dundee and across the Kincardine Bridge by way of motorways to Stirling, Glasgow and the West. It benefits from a full range of shops, social and leisure facilities and educational establishments. The local railway stations provide a regular service to Edinburgh with intercity links to other parts of the UK. There are regular and convenient bus services both local and national.

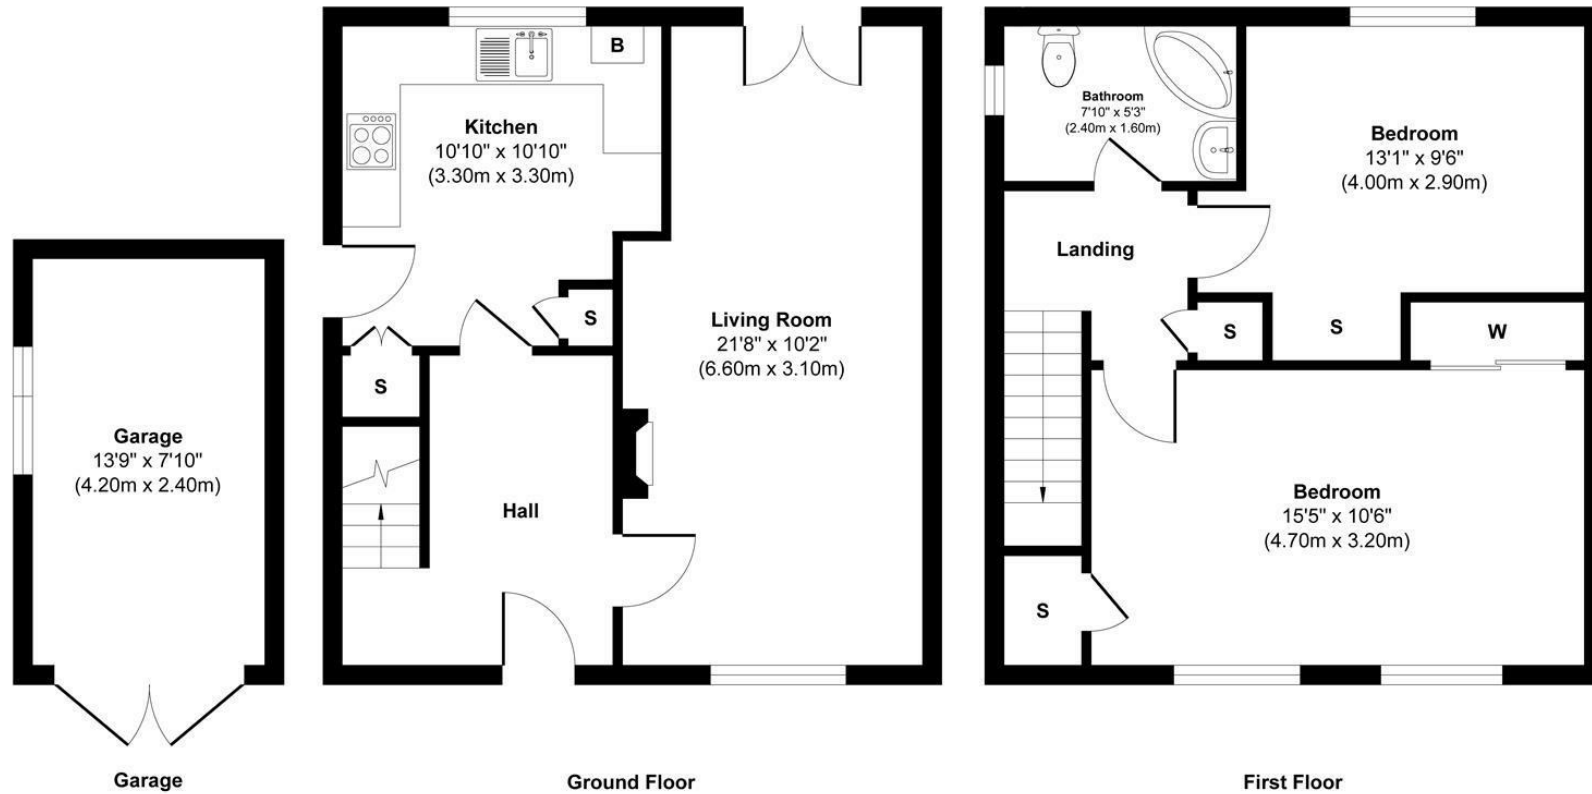

EXTRAS INC. IN SALE / AGENTS NOTE

All floor coverings, blinds, bathroom and light fittings together with integrated appliances and garden shed.

From 1st February 2022, residential properties in Scotland are required by law to have installed a system of inter-linked smoke alarms, carbon monoxide detectors and heat detectors (the "inter-linked system"). No warranty is given to the interlinked system installed in this property.
